

Creative Gymnastics!

Dear _____

I'd love to invite you to my birthday party being held at Creative Gymnastics Center!

The party will be held on Saturday, _____

From _____ to _____ am pm.

Expect to have FUN!

We'll have the entire gym to ourselves! We'll also have a fun party coach who will supervise us and guide us while we jump in the deep foam pit, bounce on the in-ground trampoline, rock climb, slide down the curly slide, bounce in the inflatable, play group games or parachute, roll in mats and more!

Be sure to wear comfortable clothes that don't have any buttons, zippers or snaps. Socks are optional and can get lost in the pit!

Only registered party guests are allowed out in the gym during the party. Parents are allowed to come out to the gym to assist their child but cannot go on the equipment including the trampolines and pits. All shoes must be removed before entering the gym.

All food and drinks must be kept in the viewing area.

Please return this permission slip the day of the party!

My child has permission to attend a birthday party at Creative Gymnastics Center. I understand that my child will be participating in the above physical activities and I appreciate the risks that could possibly occur. With the above in mind, and being aware of the risks and possible injuries involved, I consent to have my child participate in the programs offered by CGC.
