

Fantastic & Fun
Fieldtrips
At
Creative Gymnastics Center!

Our fieldtrips are a fun and healthy treat for any elementary school or large groups who have children ages 12 and under, who need to burn off extra energy!

Supervised by our professional coaching staff, students will have the opportunity to explore the following activities: jumping in the deep foam pit, rock climbing, in-ground trampoline, 40 foot tumble track, curly slide, inflatable fun and much more!

Fieldtrips are one hour in length and cost \$5 per child with a 40 children or \$200 minimum. Fieldtrips can only be scheduled on weekdays between the hours of 9:00 am - 2:00 pm. All participants must have a current permission slip on file, which will be provided to you. Our permission slips will include our suggested dress code information.

Office hours are Mondays, Wednesdays and Thursdays from 5:00 - 8:00 pm. You may reach us by email or phone to reserve your school's spot today! (269) 651-4223 or flip4fun@creativegymnastics.com
